Re: Twentynine Palms Apartments  
 Apartment Name

Greetings!

The purpose of this letter is to request your assistance in our outreach efforts to provide affordable housing opportunities to individuals and families seeking housing.

The goal of our outreach program is to inform those who normally would not be likely to apply for housing without special outreach efforts, and to ensure they feel welcome to apply and have the opportunity to rent.

The apartment complex listed above was developed to accommodate individuals and families that meet the federal definition of low income. Accessible units are available upon request. Each unit is equipped with carpet, window coverings, appliances, and laundry facilities. Rents are based on income and family size. Some rental assistance is available. With Rental Assistance, rent could be as low as \$0.00 and available to those meeting income qualifications.

The manager at Twentynine Palms Apts, can provide you with further information or applications.
